PLAN FOCUS

1. INFRASTRUCTURE

a) Improving the Covered Playground

An excellent learning environment is conducive to students' learning and development. Utilising the existing space in the covered playground and canteen area, our school plans to install sliding doors and air-conditioners to offer a more ideal space for different uses including lessons, lunch, extra-curricular activities, small-scale talks, music practice, etc., not only benefitting the students, but also reducing the noise arising from activities and the disturbance to the nearby residents.

b) Upgrading Hall Facilities

Drama education is one of the distinctive elements in St. Mark's School. Students from the Drama Team often participate in different public competitions, and won various awards. Each year, our school organises the Drama and Music Fiesta which entices a large number of students and audience to attend. Lam Woo Hall is the main venue for multi-functional activities, yet the multimedia equipment is to be upgraded. Our school plans to install the lighting control system to create different lighting effects and support the development of the Drama Team enhancing the quality of drama production. Besides, weekly assemblies, services, talks, talent shows, etc. are held in the Hall. Enhancing the hall facilities can cater the needs for learning and activities which are beneficial in developing students' potential.

The estimated budget for infrastructure is around \$1,500,000.

2. EXPERIENTIAL LEARNING

a) Cultural Exchange

Apart from the mainland exchange programme subsidised by the Education Bureau, our school organises one overseas cultural exchange tour every year which allows students to widen their horizons and enhance their English language abilities. To offer different students opportunities to join the tour, our school plans to provide about ten places for students who are eligible for the subsidy and meet the following requirements: students with financial difficulties; students with outstanding academic or inter-school competition performance; and student leaders with good contributions to school.

b) Music Tour

With the outstanding performance of the Music Teams, our school plans to organise regular music-related global exchange to let students participate in overseas music events and performances as well as overseas student exchange in order to enrich their music development.

文化交流

除每年接受教育局資助，舉辦國內考察活動，學校亦會每年會舉辦一次長線海外文化交流，讓學生擴闊眼界，提升英語能力。為讓不同的學生有機會參加，學校計劃每年預留約十個名額，資助符合下列條件的學生：

1. 有經濟困難的學生；
2. 學業成績優異或於校際比賽有出色表現的學生；
3. 對學校有一定貢獻的學生領袖。

添置禮堂設備

戲劇教育為本校的特色項目之一，戲劇組同學經常參與不同的公開比賽，屢獲殊榮，學校每年亦會舉辦戲劇及音樂匯演，吸引大批同學及觀眾出席。禮堂是本校主要的綜合活動場地，禮堂多媒體設備確實有提升的需要。學校計劃增添燈光控制系統，以營造不同的燈光效果，支援戲劇組的發展，提升戲劇質素。除此之外，每週的週會、各類型的崇拜、講座、學生才藝表演等亦會於禮堂進行，提升禮堂設備能配合不同學習及活動需要，對發展學生的潛能有莫大裨益。

優化有蓋操場

優良的學習環境對學生的學習及成長皆有正面影響。學校計劃善用現時有蓋操場及飯堂位置，加裝趟門，並安裝空調，為學生提供更理想的空間，作上課、午膳、課外活動、小型講座、音樂練習等用途，既能讓學生受惠，亦能減低活動所產生的聲浪，減低對毗鄰屋邨居民的影響。
